May 2017

Dear Supporter,

Paideia Academy is hosting its Annual Banquet & Auction on Friday, September 29, 2017 to support essential initiatives over and above the school's operating budget. This event raises about \$15,000 annually, and we are striving to reach that mark again this year. Would you take the opportunity to partner with us?

Proceeds will contribute to the school's Annual Fund to support our growing art, music, and sports programs; explore property acquisition for future campus expansion; help us keep our class sizes small and attract quality teachers; and benefit those students who qualify for need-based tuition assistance.

Would you consider donating a gift certificate and/or item to support our amazing students?

An auction committee member would be happy to pick up your donation at your convenience, or you may complete the attached donation form and return it to the school office with your gift.

Thank you for your support of Paideia Academy. Your generosity will enable us to continue to provide our community with a challenging classical education founded upon a biblical worldview.

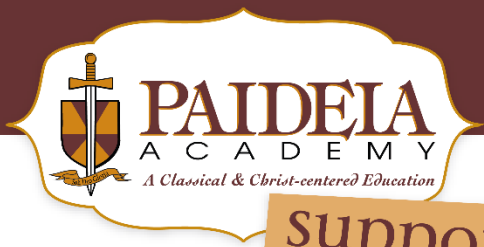

Please feel free to contact me if you have any questions. For more information about Paideia Academy, visit paideiaknoxville.org.

Sincerely,

Tisha Clapp
